CANVA

ChatGPT Demo

CANVA Demo

The screenshot shows the Canva website homepage. At the top, there is a navigation bar with the Canva logo and menu items: Design spotlight, Business, Education, Plans and pricing, and Learn. The main heading reads "What will you design today?" followed by the subtext "Canva makes it easy to create professional designs and to share or print them." A purple "Start designing" button is centered below the text. Below the button is a horizontal carousel of design categories: Docs (with a "Hi Team!" document preview), Whiteboards (with a whiteboard preview), Presentations (with a "Present with ease" presentation preview), Social (with a "Perfect your post" social media preview), Videos (with a video preview), Prints (with a "You're invited!" invitation preview), and a partially visible "Design Website" category.
