

# RENIQUE®

## TLC's next breakthrough skin care formula

Renique® combines the benefits of Alpha-Arbutin, Olive Squalene, Aloe vera, Vitamin E, Jojoba oil, and ten plant extracts into one simple-to-apply skin-whitening cream.

## Experience a brilliantly-even skin tone

Following the path of Envidia (TLC's highly acclaimed and award-nominated skincare product), Renique® sets the new standard for skin-toning products.

One container provides one fluid ounce | 30ml of Renique®.

## Renique®

Through the process of natural aging and exposure to the elements, skin can develop a variety of conditions that affect its tone and appearance. From freckles and age spots to more noticeable conditions such as dark patches and surface scarring, Renique® can be an effective solution that evens skin tone and brightens the complexion.

TLC's unique formula utilizes several botanical ingredients, vitamins, and natural plant extracts that can protect and replenish the body's largest organ (skin). Renique® has none of the harsh acids many over-the-counter and prescription products contain.

### Benefits

This skin-whitening cream is designed to reduce skin discolorations resulting from melasma, acne scars, freckles, dark patches, environmental damage, and hyperpigmentation.

## Active Ingredients

### Alpha-Arbutin

Studies indicate Alpha-Arbutin suppresses unwanted skin pigmentation (rather than killing the pigment-producing cells).

### Olive Squalane

Olive Squalane promotes skin cell growth and helps to reduce the formation of age spots.

### Vitamin E

Vitamin E blocks free radicals from the body, which may lessen the signs of skin aging.

### Aloe vera

Aloe vera contains hormones: Auxin and Gibberellins. These hormones provide wound-healing and anti-inflammatory benefits.

### Oils

Jojoba Oil | Rice Bran Oil

### Extracts

Bright light Madonna leaf cell extract | Malva Sylvestris extract | Mentha Piperita leaf extract | Primula Veris extract | Brown Algae extract | Veronica Officinalis leaf extract | Melissa Officinalis leaf extract | Achillea Millefolium extract, Alchemilla Vulgaris extract | Licorice Root extract

## Instructions for Use

Apply a thin, even layer on the skin, face, neck, or hands. Moisturizing cream can be applied over Renique®. For optimal results, use Renique® twice per day (during the morning and night time).
