

GANO

An all-natural source of powerful antioxidants

Iaso® Ganoderma Lucidum is made from the Red Reishi mushroom. Known as the lingzhi mushroom in traditional Chinese medicine, it is considered to be the “herb of spiritual potency”.

Many studies indicate Ganoderma Lucidum provides the highest level of antioxidants when compared to other food sources found within the world.

	Amount per serving	%DV*
Ganoderma Lucidum	500 mg	**

*Percent Daily Values based on a 2,000 calorie diet
** Daily Value Not Established

Other Ingredients: Vegetable Capsule, Silicon Dioxide

Iaso® Gano

In Asia, Ganoderma has been used as a herbal remedy for centuries. It is believed to aid in recuperation, increase endurance, and maintain the body's well-being.

The Red Reishi mushroom is primarily composed of complex carbohydrates as well as water-soluble proteins and amino acids. Scientific research indicates water-soluble polysaccharides may produce anti-aging and anti-inflammatory effects.

Studies conducted in China, Japan, the U.S., and the U.K. indicate the consumption of Ganoderma Lucidum has provided positive improvements in the conditions symptomatic to many common ailments. Iaso® Gano's antioxidant properties may also help to reduce stress.

Take one capsule per day. Each capsule contains 500 mg of 100% pure Ganoderma Lucidum.

Immune System

Studies indicate Ganoderma has anti-bacterial properties and may diminish viruses including influenza, vesicular stomatitis, herpes simplex type 1, and herpes simplex type 2.

Cardiovascular Health

Ganoderma has been prescribed for centuries to reduce the problem caused by angina and stress. Chinese studies indicate Ganoderma extracts may increase blood flow and reduce oxygen consumption within the heart.

Antioxidants

Ganoderma contains the highest level of antioxidants as compared to other natural food sources according to the Encyclopaedia of Natural Medicine. Components of Ganoderma include phenolic and polysaccharide complexes which may contribute to the strength of the antioxidants.

Urinary Tract Support

According to the Asian Journal of Andrology, Ganoderma increases the flow of urine in men with moderate lower urinary tract problems.
