Lucida Activated Charcoal Toothpaste

Lucida is the scientific name given to the brightest star in a constellation. It is also the first in a series of health and beauty products from Total Life Changes®. TLC is dedicated to providing consumers with innovative products that deliver results. We've selected another product intended to lighten the enamel of teeth and encourage overall mouth health for a smile that you will absolutely fall in love with.

Benefits

It goes without saying but we will say it anyway. No more than ever, men and women want to look and feel good. Health and fitness have become increasingly popular and awareness of taking proactive measures to not only improve but, maintain a healthy lifestyle, is responsible for a billion dollar business globally.

Lucida is a mint flavored toothpaste with natural ingredients powered by activated charcoal. It's designed to remove stains, fight germs and detoxify your kisser at the same time. So, use it to get a brighter, whiter smile without harmful chemicals. Brushing your teeth twice daily can combat plaque, tarter and improve your breath while boosting your ego with a new bright white smile.

To Enjoy Lucida Activated Charcoal Toothpaste

Squeeze the toothpaste from the bottom of the tube and cover all the bristles of your toothpaste. Wet brush with water and begin brushing all surfaces of your teeth and tongue for a minimum of two minutes twice daily. Safe for manual and electric toothbrushes.
