PROVIDES A GENTLE DETOX

## All-natural Detox & Cleanse

Enjoy the detox benefits of the original laso Tea in an all-natural instant formula and lose up to 5lbs in 5 days. This proprietary blend is equipped with three incredible, all-natural extracts and combined with Nutriose FM06 (a soluble dextrin fiber) to help suppress your appetite.

Popular benefits of this cleansing formula include weight loss & weight management, a boost in energy, mental clarity, improved skin, and a gentle cleansing of your intestines and internal organs.

laso Tea Instant provides several all-natural and organic extracts well known for its anti-inflammatory and antioxidant qualities. The addition of soluble fiber in laso Tea Instant's formula is designed to reduce appetite so you will feel fuller after eating. laso Tea Instant works synergistically with Total Life Changes' full line of health and wellness supplements. Consuming the tea before meals will begin to affect the stomachs "stretch receptors" which send a message to the brain that food is present. The soluble fiber enters the digestive tract after consumption, causing hormonal signals to be released to the hypothalamus (which controls the body temperature, hunger, thirst, fatigue, sleep, and circadian rhythms). Both of these signals will continue to be released as your meal is consumed, thus creating a "feel-full factor" sensation within the brain.

## Active Ingredients:

### Soluble Fiber Dextrin

Nutriose FM 06 is a soluble dextrin derived from corn starch (which provides the benefits of dietary fiber while maintaining the quality of the tea). It has a low viscosity and dissolves in water easily. Studies have shown that soluble fiber can promote satiety (the sensation of feeling full).

### Cassia Angustifolia Extract

The extract of the seeds of Cassia Angustifolia, a native Indian plant, is reported to have great cleansing qualities that relieve constipation. The extract may also increase colon motility.

### Carica Papaya Extract

Carica Papaya is believed to have anti-inflammatory, antioxidant and wound-healing properties. Papaya contains an enzyme called papain that aids digestion. Papaya is also high in fiber and water content, both of which help to prevent constipation and promote regularity and a healthy digestive tract.

### Matricaria Chamomilla Extract

Chamomile is an herb that comes from the daisy-like flowers of the Asteraceae plant family. It has been consumed for centuries as a natural remedy for several health conditions including easing upset stomach, heartburn, nausea, and vomiting. Chamomile has properties that may aid sleep and digestion, as well. It contains apigenin, an antioxidant that binds to certain receptors in your brain that may promote sleepiness and reduce insomnia. Chamomile tea may protect against diarrhea, stomach ulcers and gas, likely due to its anti-inflammatory effect.

## Best Used With:

**NutraBurst +** liquid multivitamin dietary supplement to replenish vital nutrients & minerals.\*

**NRG** dietary supplement provides focus, sustained energy, and fat-burning capabilities.\*

**Resolution Drops** dietary supplement to suppress appetite and offers aggressive weight loss.\*

## Nutrition Facts

25 servings per container
