

MatriX

PLANT-BASED MEAL REPLACEMENT

STORE IN A COOL, DRY PLACE.

MAKE IT

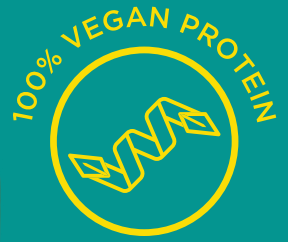

Mix 1 sachet with at least 16.9 fl. oz. hot/cold water. Shake well.

TAKE IT

Drink 30 minutes prior to eating.

DOSE

One sachet daily or as directed by your healthcare professional.

About MatriX

MatriX is a 100% organic plant-based nutrition shake with a complete balance of protein, complex carbohydrates, omega-3 fatty acids, branched-chain amino acids, adaptogens, digestive enzymes, pre & probiotics, and high-quality fiber.

All-day energy requires natural carbohydrates that come from complex, plant-based foods that you can find in MatriX. With only 140 calories and 21 grams of protein, MatriX is perfect for both weight management and muscle recovery. Ideal for athletes, on-the-go moms, busy professionals, and every health-conscious adult.

MatriX is truly a complete, 100% plant-based whole food meal replacement that supplies the nutrition of a meal without the extra calories. Just put MatriX in water or unsweetened almond milk and mix for a delicious, natural vanilla taste. Or make a MatriX shake with banana or berries, coconut or almond milk for a satisfying and nutritious meal.

Active Adaptogens In MatriX

ASHWAGANDHA

This ancient herb from India is commonly used to increase vitality, decrease sugar cravings, strengthen the immune system, improve physical energy and athletic ability, and reduce the negative effects of stress, anxiety, and insomnia.

MACA

The main action of Maca is to strengthen endurance, which gives the athlete a natural advantage. This root creates a stimulating response in both men and women, and helps balance the body's natural hormones. Due to Maca's high nutritional content of protein, natural sugars, calcium, iodine, magnesium, potassium, and fiber, it is often referred to as a "superfood" as well as an adaptogen.

SCHIZANDRA

An exotic berry, Schizandra exerts a normalizing effect on the entire body. Schizandra helps nurture the adrenal glands and turns down an overproduction of "stress hormones" like cortisol, promoting better mental capabilities, physical endurance, and metabolic health.

Supplement Facts

Serving size 1 Sachet (approximately 32.5g)
Servings per container 15

	Amount Per Serving	% Daily Value
